ABDULLAH AL-KINDI

UI/UX DESIGNER / ICT & MEDIA DESIGN / FRONT-END DEVELOPMENT

Eindhoven, Netherlands • alkindi_alkindi@hotmail.com • +31 0634221884 • abdullahsportfolio.com

PROFILE

UI/UX designer creating research-informed digital experiences across website redesign, information architecture, high-fidelity prototyping and interactive concepts. Experienced in collaborating with product and technical teams to turn complex needs into clear, usable interfaces.

PROJECT EXPERIENCE

Website UI/UX & Sitemap Redesign | 2026

PETROGAS Oman

Redesigned website UI/UX and information architecture; built an interactive sitemap documenting 34 pages across 7 top-level sections with tree, list and grid views.

UI/UX Design — Sync-It | 2025

PhazeRo

Developed high-fidelity Figma prototypes for a music-licensing marketplace, informed by user research and collaboration with product, engineering and legal stakeholders.

UI/UX & 3D Concept — StackAssist | 2024

FAES

Designed a 3D stacking application concept for order-picking workflows; explored wearable-display technology and tested early interface prototypes.

Website UI/UX Design | 2023

Drip, Netherlands

Created responsive website wireframes and high-fidelity designs, informed by stakeholder interviews, competitive research and iterative feedback.

OTHER CLIENT WORK

Saunakoning — website redesign for a Dutch sauna company. Independent client — high-fidelity portfolio website design.
